Greensboro Parks & Recreation Department

~ Mission Statement ~

"The mission of the Greensboro Parks & Recreation Department is to provide diverse year-round leisure opportunities through the preservation of open space, park settings, recreational facilities and programs for the citizens of Greensboro. The benefits of leisure services are especially designed to meet the physical, mental, cultural, and social needs of our residents and visitors to our community, while enhancing the overall quality of life in Greensboro."

Bonnie C. Kuester, Director

Welcome from the Director...

Since 1933, the Greensboro Parks & Recreation Department has been *"Reaching Out, Touching Lives,"* as we provide quality leisure experiences for the citizens of our City. Whether you enjoy a walk in one of our parks, or gardens, participate in a sporting event, enroll in one of our classes, or attend a City Art's performance, we offer unlimited leisure opportunities for citizens of all ages.

Over the years, the success of our Department has resulted from the cooperation that exists at all levels in our community ...a supportive Mayor and City Council, City Management, committed citizens, community organizations, private enterprise and a highly-professional staff. Our Department is a three-time winner of the National Gold Medal for Excellence in Parks and Recreation Administration. Last fall, our Department became one of only sixty-six agencies in the country to receive National Accreditation from the Commission for Accreditation of Park and Recreation Agencies.

This year, we are particularly excited to announce the creation of the *Friends of Greensboro Parks & Recreation Foundation*. The mission of the Foundation is to support a broad base of recreation programs, services and facilities, which enrich the lives of Greensboro residents, by strengthening our financial and volunteer resources. This non-profit organization acts as a community vehicle for accepting contributions of money, property, or securities from individuals, organizations, and corporations. All tax-deductible contributions will indeed enhance the programs and services of our Department in the years to come. The *Friends of Greensboro Parks & Recreation Foundation* is governed by a volunteer Board of Directors from the civic and business community. The Board includes; (voting members) Helen Butler Duncan, Kevin Green, John Hagan, Keith Hill, Dr. James Sellers, Dottie Moseley, Kathy Treanor, Cheryl Wilson, and Greensboro Parks & Recreation Commission Members Robert Douglas, III, Lori Galbreath and Rose Marie Ponton. I join the non-voting members, which include Courtney Hemphill, Executive Director of the Foundation; and Dan Maxson, Administrative Services Manager. For more information about the *Friends of Greensboro Parks & Recreation Foundation*, or to make a contribution, please contact Courtney Hemphill at (336) 373-3256.

We would like to especially thank you, the citizens, who have supported our programs and facilities throughout the years, and look forward to your continued participation in the future.

Sincerely,

Bonnie Kuester

Greensboro Parks & Recreation Commission

On November 7, 1933, the Greensboro City Council passed an ordinance which created the first Recreation Commission. The commission became instrumental in forming the Greensboro Parks & Recreation Department. Today, this nine-member commission continues to serve in an advisory capacity to the Parks & Recreation Department, the Greensboro City Council, and acts as liaison between these groups and our citizenry. The commission meets on the second Wednesday of the month at various locations throughout the community. All citizens are cordially invited to attend!

For more information, please contact the Greensboro Parks & Recreation Administrative Office, located at 1001 Fourth Street, Greensboro, NC 27405, at (336) 373-2574.

GATEWAY GARDENS

Cultivating. Growing. Together.

The Gateway Gardens development has been a long time in the making. Greensboro Beautiful and Greensboro Parks & Recreation have had considerable groundwork to lay in preparation for the new gardens, including:

- ♦ Identifying and securing an appropriate site
- ♦ Holding meetings to get input from the community and the adjacent neighborhoods
- ♦ Confirming support of the Greensboro Parks & Recreation Commission and City Council
- ♦ Arriving at the best possible landscape design

What's the next step for this garden project to move forward? Greensboro Beautiful is embarking on the single, largest fund-raising campaign in the organization's history!

Here are some basic facts and figures, regarding the history of the Gateway Gardens project:

- ♦ The Gardens are strategically located on the East Lee Street entrance to downtown, within a ½ mile of Business 40/I-85
- ♦ Gateway Gardens span 11-acres, featuring a series of gardens, walking trails and visitor's center

The Gateway Gardens promises to be a spectacular entrance to our city!

- ♦ Located adjacent to Barber Park, and NC A&T and UNCG's new research park, aptly-named Gateway University Research Park, the combined projects represent one of the largest economic development efforts in recent years in southeast Greensboro
- ♦ Each year, over 250,000 people are expected to visit the gardens
- ♦ City of Greensboro committed \$1.5 million in capital funding, in addition to the land
- ♦ Project price tag: \$5 million

The "quiet" phase of fundraising has already begun, and Greensboro Beautiful is encouraged by the results. Their Board of Directors has stepped forward and pledged nearly \$120,000, to date, toward the campaign, and a local foundation (to be announced at a later date) has made a leadership gift of more than double that amount! Solicitations of other large campaign gifts are also in the works.

Now, Greensboro Beautiful is getting the great story out to our community. This spring, the organization will conduct "Garden Gatherings" at the homes of many citizens to better inform potential contributors. You can be part of this exciting venture, too!

♦ *Help us to spread the word!*

Do you belong to a civic club, or a garden club, that needs a program? Greensboro Beautiful has produced a 10-minute video, funded, in part, by The Community Foundation of Greater Greensboro, that vividly describes the project

and it's receiving rave reviews! The video includes beautiful garden footage, and contains glowing endorsements from key community and garden leaders, along with a great graphic description of the entire garden project. Greensboro Beautiful volunteers are *always* ready to talk about Gateway Gardens!

♦ *Host a "Garden Gathering"*

Consider hosting a small "Garden Gathering" at your home. For more information, call Mebane Ham at **273-7448**.

♦ *Volunteer!*

To volunteer, please call the Greensboro Beautiful Volunteer Coordinator at **574-3547**.

♦ *Contribute!!!*

An effort of this magnitude can only succeed with the financial support of many citizens. No contribution is too small! Be sure to request a list of our facility naming opportunities.

We invite you to join Greensboro Beautiful in securing our reputation as the *City of Parks & Gardens*! Help Greensboro Beautiful build on its nearly forty years of beautifully transforming the landscape of our city. Together, we can ensure that Greensboro Beautiful continues to make our community a better place in which to live, work and raise a family. For more information, contact the City Beautiful office at **373-2199**, or visit Greensboro Beautiful's website at:

Experience Paris in the springtime...

...Experience the Parisian Promenade!

Sunday, May 6 • 1-5 pm

Tanger Family Bicentennial Garden • 1105 Hobbs Road

On Sunday, May 6, 1-5 pm, we invite you to bring your family and friends to the Tanger Family Bicentennial Garden for a unique spring stroll! Greensboro Beautiful is bringing Paris to our city with the *Parisian Promenade*, and admission is *free* of charge!

Experience the sights, smells and sounds of a spring afternoon in Paris – all in our own Bicentennial Garden. Sponsored by Doris and Stanley Tanger, this festive event highlights nature and artistry at its finest – complete with a brilliant display of the garden in full bloom, and artists along the garden walkways. Local painters and photographers will exhibit and sell their works. The garden's Wedding Gazebo will come alive with music and singing. Between performances, enjoy a fashion show and more!

Our Parisian sidewalk café has something to satisfy everyone's palate – cheesecake on a stick, ice

cream, goat cheese, quiche and pastries, coffee, breads, spreads, smoothies, lemonades, hot dogs, and even Turkish and Mediterranean specialties.

If you are in the mood for fine French cuisine, a variety of French dishes will be prepared onsite by local chef, L.J. Rush, Culinary Instructor at GTCC. The Children's Area will delight kids of all ages with balloon sculpting, temporary flower tattoos, and sidewalk chalk art.

Nothing could be more Parisian than a beautiful French Poodle! Join us for our "Poodle Parade" at 3 pm in the Children's Area, with the lineup at 2:45 pm. Poodles of all sizes are welcome! To participate in the parade, each poodle must be on a leash and accompanied by a responsible dog handler.

Capping off the exciting afternoon, the Guilford County Master Gardeners will feature an exhibit with "hands-on" activities, related to plants and gardening.

Greensboro Beautiful, Inc. is a non-profit, volunteer organization that works in partnership with Greensboro Parks & Recreation to conserve and enhance the beauty of our community through public and private cooperation. This 39-year partnership boasts the development of our City's three distinct public gardens; Bicentennial Garden, the Greensboro Arboretum, and the Bog Garden, all of which have become the pride of the City's parks and gardens system.

In 1999, Greensboro Parks & Recreation asked Greensboro Beautiful to develop thematic events for the gardens in order to increase public awareness and attendance. Each October, the organization hosts *Art in the Arboretum* at the Greensboro Arboretum. In addition, Greensboro Beautiful initiated other garden events, now coordinated by Greensboro Parks & Recreation, including; *Bayou Bash in the Bog*,

held in the Bog Garden in July; and *Candlefest*, a holiday luminary display, held in the Arboretum and coordinated with the Tarheel Triad Girl Scouts.

Parisian Promenade parking will be available in the parking lot, located off Pembroke Road, behind Signature Place. A complimentary shuttle will be available to and from the parking area throughout the afternoon. Handicap parking is available in the Bicentennial Garden parking lot.
